

Notice of Move Out – Important Information

Dear Resident:

Based on our records, we show that you have not decided to renew your contract with us for next year. If this is incorrect, please let us know immediately. Otherwise, we hope that you have enjoyed your time with us and we wish you the best of luck!

In preparation for your move-out this year, and to make things as smooth as possible for everyone concerned, please familiarize yourself with the detailed information that follows as well as our MOVE OUT PROCEDURES. Due to the number of residents involved, we cannot deviate from these procedures.

- 1. Move-out inspections will be performed on an "Appointment Only" basis. Please call or stop by the office to schedule your move-out inspection at least two weeks prior to your move-out date. All requested move-out inspections must be completed by 5PM on July 25, 2022. Please note that availability for appointments will be extremely limited. Should you make an appointment, you will meet a designated staff member at your unit at the time of your appointment. All of your belongings must be removed at this time as you will no longer have access to the unit. If more than one person will be moving out of your unit, coordinate your schedules so that we can inspect all bedrooms at the same time. An email will follow this letter with directions on how to request a move-out inspection.
- If you choose not to schedule an appointment for move-out, please be sure to return your unit key, mailbox key, amenity wristband, and parking pass to the office no later than 12PM (Noon) on July 30, 2022. If you do not check-out by this deadline, you will be considered a "Holdover" and will be assessed charges and subject to legal action.
- 3. The entire apartment will be inspected even if only one person is leaving. The entire apartment must be cleaned. The common area will be the responsibility of both the outgoing and renewing residents. Please see our **SUGGESTED CLEANING PROCEDURES** for more information.
- 4. Charges assessed for cleaning or damages to the common areas (living/dining areas, kitchen, shared vanity and bath areas, laundry rooms and closets) will be divided equally among all apartment mates. Please review our ESTIMATED CHARGE LIST for details.
- 5. Each resident will be held responsible for cleaning or damages in his or her bedroom. Should there be any animal damage in the common area, it will be billed back to the animal owner on file. If the animal is not registered with the office, those charges will be distributed evenly. We encourage you to verify that all animals in your unit are registered to ensure that charges are distributed appropriately.

- 6. You will not be held accountable for any discrepancies (exceptions) that were noted on your move-in inspection unless these items were taken care of by management and occurred again after that time.
- 7. Any outstanding balances owed must be paid at the time of move-out. Pursuant to the lease agreement, any outstanding balance will cause that portion of the Security Deposit, if applicable, to be forfeited.
- 8. Please update your forwarding address through your ResidentPortal to the address you would like your Financial Move-Out Statement to be sent. This does not forward your personal mail, this is only for the purpose to send you your Financial Move Out Statement/Security Deposit.
 - a. **Change of Address**: Go to the Post office to fill out your change of address form or go online to www.usps.com: Forward Mail option: Change of Address. There is a \$1 charge to do this online, but your mail will be sent piece by piece to the new address.
 - **Discontinue newspaper subscriptions and any utility accounts you may have.
- 9. Any balance due will be assessed on your Financial Move-Out Statement which you will receive via mail to the forwarding address provided.
- 10. If you are directly transferring to a different unit on property, you will be notified directly of your transfer dates. You will need to be prepared to transfer from your current unit to your new unit within a 24-hour period. Your current unit must be inspection-ready by the date assigned. Any damages assessed will be charged to your account and due upon receipt.
- 11. If you turn your keys into the leasing office before your lease end date, please be advised that this does not relinquish you from your lease agreement duties. You are still responsible for paying for utilities, as well as fulfilling your lease agreement payments. We will not conduct a move-out inspection until the end of the lease agreement should you choose to move out early and not schedule an appointment for inspection.

It has been a joy serving you! We hope to see you again soon.

Best regards,

The Standard at Raleigh Management Team
